

Game analysis

Game type

- ❖ Real-time tactic
- ❖ Stealth

Game mechanics

Commons to all playable characters

Movement:

- ❖ Walk
- ❖ **Crouch**
- ❖ Walking crouch
- ❖ Open doors
- ❖ Jumping
- ❖ Climbing
 - Ladders
- ❖ Grab and drop corpses
 - Drop in the bushes or buildings to hide them
- ❖ **Hiding**
 - Bushes
 - Buildings

Combat:

- ❖ Melee one shot attack
 - Different attacks for each character
- ❖ Firearms
- ❖ Heal

Environmental:

- ❖ Bushes
- ❖ [Visual cones](#)
 - Bright
 - Dark

Hayato

Passive skills:

- ❖ 4 h.p.
- ❖ Tightroping
- ❖ Can climb **vines**
- ❖ Swim
- ❖ Can carry one corpse while standing but moves slower
- ❖ Plunge attack

Active skills:

- ❖ **Ninjato strike**
 - Faster than the normal melee attacks of every other character. Useful for sneak attacks, even if it generates some noise.
- ❖ **Rock**
 - Make enemies turn in the direction of where the rock lands.
 - Affects all enemies in range for 5 seconds
- ❖ **Shuriken**
 - Kill enemies from distance with an almost instantaneous animation
 - It has a range of sound showing which enemy can hear you
 - The animation of death is slow (4 seconds), eventually allowing other enemies to detect him
 - Only one is available and it has to be recovered it from the body

Mugen

Passive skills:

- ❖ 8 h.p.
- ❖ Can't swim
- ❖ Can carry two bodies and run

Active skills:

- ❖ **Katana**
 - Kills an enemy. The only one that can kill an enemy Samurai.
 - Generates less noise than Hayato's attack.
 - Animation lasts for a few seconds and cannot be interrupted.
- ❖ **Sword Wind**
 - Kills up to 3 enemies standing next to each other
 - Samurais are invulnerable to this ability
 - 3 seconds animation
- ❖ **Sakè**
 - Lure an enemy to it, if the sakè is in their vision cone
 - The vision cone turns pink showing their interest
 - It has to be retrieved from the ground or, if an enemy picked it up, from his body
 - Can only lure **one** guard

Yuki

Passive skills:

- ❖ 4 h.p.
- ❖ Tightroping
- ❖ Can climb vines
- ❖ Swim
- ❖ Can carry one corpse **crouching** and moves slower
- ❖ Plunge attack
 - Faster than the normal melee attacks of every other character

Active skills:

- ❖ **Dagger**
 - Has the same power of the other melee attacks
 - The animation is 3 seconds long, a lot for a sneak attack (like the Ninjato)
- ❖ **Trap**
 - Kills an enemy if he steps on it
 - Once started the animation, it cannot be canceled
 - If it kills an enemy, it has to be retrieved by Yuki
- ❖ **Flute**
 - Use to draw enemy attention
 - Can be heard from long distance and can lure different guards
 - The enemies will go to the exact spot from there it was originated
 - If the distance is too long, or the path is interrupted, the enemies might not go to it

Aiko

Passive skills:

- ❖ Can swim
- ❖ Can climb **vines**
- ❖ Can carry one corpse **crouching** and moves slower

Active skills:

- ❖ **Hairpins**
 - Close range attack
 - Last 2 seconds, and has the effect of a katana
 - Can be used while in disguise
- ❖ **Sneezing potion**
 - The only ability in the game that blocks the field of vision of an enemy
 - Unlimited uses
 - Very short range of effect
 - Enemies will **not raise the alarm**, even if subjected to this skill more than once
- ❖ **Disguise**
 - Has to be taken from a servant to be used
 - While in disguise, Aiko can walk through enemy lines unnoticed
 - Can distract guards for a long period of time
 - Can use the Hairpins while in disguise and will not break the camouflage
 - Samurai are able to **see through** the disguise
 - Aiko will lose the disguise

Takuma

Passive skills:

- ❖ Can't swim
- ❖ 4 h.p.

Active skills:

❖ Rifle

- Very long range
- Generate noise, but can be heard only from the point of origin
- Limited bullets, that can be replenished during some missions

❖ Grenades

- Limited use
- Two variants
 - Sleeping
 - Takes a long period of time to take effect
 - Has effect on Samurai
 - Doesn't make noises
 - All the enemies have to be eliminated before the effect goes off
 - Explosive
 - Eliminates instantly all the enemies in range
 - Has effect on Samurai
 - Generates a loud noise

❖ Tanuki, Kuma

- A tamed animal that can be controlled
- Send him to a location, then he will start performing to distract enemies
 - Attract enemies and focusing their field of vision on him
- Works only on basic enemies
- Can be used to make some noise
- Can stop his actions at any time

Narrative

During the Edo period in Japan, a **Shogun** unified the nation after years of war. But a mysterious warlord, known as **Kage-Sama**, treath the peace of the country. The Shogun assigned a Samurai, Oshiro **Mugen**, to uncover the identity of Kage-Sama and eliminate him and his allies. In his missions he meets and recruits 4 other agents:

- ❖ **Hayato**, a shinobi
- ❖ **Yuki**, a thief
- ❖ **Aiko**, a spy
- ❖ **Takuma**, a sniper

User response

Positive responses:

- ❖ Commandos like game
- ❖ Interactive world
- ❖ Lot of different missions
- ❖ Each mission can be resolved in many different ways
- ❖ Smart AI

Negative responses:

- ❖ Some levels take hours the first time
- ❖ Too difficult
- ❖ Bad camera control
- ❖ Bad controls
- ❖ Perceived as a puzzle game more than a stealth game

U.S.P.

- ❖ **Commandos** like in a japanese setting
- ❖ Control multiple characters at the same time with different abilities
